Lunch

Lunch will be delivered to the field you are playing at for all players and coaches only. Teams must eat lunch around their playing schedule. Lunch will be distributed at the field at which you are playing at approx. 11:30am. Your Area Director has given us a lunch count for the team.

Awards

Teams will be awarded as soon as their place is known. If your team is finished playing for the day and you are not playing Saturday night in the finals, awards will be given immediately after the game. Please stay in the dugout or at your team bench to prepare for the awards ceremony.

Tiebreakers

If teams are tied in record after Round Robin competition, the following Tie-breakers will be used:

1. Head to Head results among tied teams
2. Run differential for games involving tied teams only
3. Run differential for all games in the division
4. Total Runs scored for games involving tied teams only
5. Total Runs scored for all games in tournament

Inclement Weather

In case of inclement weather, games will be played as long as the Tournament Committee and Umpires feel it is safe to play. If play is halted we will try to wait out the weather for as long as possible. Games may be shortened, or the schedule revised, to give all teams an opportunity to play. A Head Coaches Meeting will be called immediately to discuss options.

Number of Games and Back-to Back Games

All teams will play a minimum of 2 games; and maximum of 3 games on Friday. Some teams will have to play Back-to-Back games.

Time Limits

In all games, except Finals, no inning will start after 55 minutes, unless the game is tied. If a game is tied, the game will continue into extra innings.

Transportation

Neighbor Island Teams will be transported directly from the airport to the fields at which they are playing. Teams will be transported from CORP to UH after their final games of the day. If there is time, teams playing at UH will be dropped at the UH dorms in order to drop their bags.

2019 Softball Rules

Reminders of clarifications, changes, and additions to the 2018 Rules:

Section F.1 - All Unified teams must comply with the appropriate uniform numbers for athletes and partners by the 2020 season. Section F.3 – identifies metal AND hard plastic cleats as illegal.

Section G.5 and G.10 – Allows for approved protective equipment to be worn by any player and disallows any player wearing a cast to play in a game. Section I.4 – specifically addresses the coaches responsibility to monitor its own line-up, substitutions AND to monitor the line-up and substitutions of the other team.

Reminder – Play everybody!

All athletes (and Unified Partners) must play in every game unless injured, or have been removed for disciplinary reasons. Every person on the roster must play a minimum of one at-bat, or one inning in the field in each game played. Teams will forfeit the game if they do not comply.

Extra Innings

When a softball game is tied at the end of regulation play, or if the time limit has been reached at the end of an inning, a version of the International Tie Breaker rule will go into effect. At the start of each inning, a runner is placed on second base. The runner is the last batter to bat in the previous inning. Batters will continue to get the same number of pitches/ swings in all divisions.

Point of Emphasis regarding players re-entering a game

Any player re-entering a game MUST take the same position in the batting order.

Tournament Format

"A" Division

The "A" Division is a 4 team modified double elimination tournament. On Friday, teams losing twice are eliminated. Teams can advance to the Finals (held Saturday night) through the Winners and Losers Bracket. (One team will have one loss.) Won-loss records are thrown out for the Finals. Whoever wins the Finals takes 1st place. The Finals are a 7-inning game with a 10 run mercy rule in effect after the 5th inning. No inning will start after 1 hour and 20 minutes in the Finals.

"B" Division

The "B" Division is a 3 team tournament. Teams will play a Round Robin and then be ranked by record. The top seed will move straight to the Finals on Saturday night. The second and third ranked teams will play a Semifinal with the winner advancing to the Finals. The Finals are a 7-inning game with a 10 run mercy rule in effect after the 5th inning. No inning will start after 1 hour and 20 minutes in the Finals.

"C" Division

The "C" Division is a 3 team tournament. Teams will play a Round Robin and then be ranked by record. The top two teams will advance to the Final. The Finals are a 7-inning game with a 10 run mercy rule in effect after the 5th inning. No inning will start after 1 hour and 10 minutes in the Finals.

Special Notes

Softball cleats are suggested for all fields. Metal spikes are prohibited.

Tournament Rules

USA Softball rules with Special Olympics adaptations are in effect. Games are run on a time limit basis with no inning starting after 55 minutes of play, except the Finals. A maximum of 7 innings will be played in a game, even if there is time left, unless teams are tied after the seventh inning. Games will be played until a team has won the game, but the SOHI version of the International Tiebreaker Rule will be used. Please warm-up off the field as much as possible so we can keep to schedule. A minimum of 8 players, 4 Special Partners and 4 athletes, must be playing at all times or a forfeit will be declared. 4 Partners and 5 athletes can be played, but not vice-versa, unless an athlete is injured during play. (See SOHI rules for clarification.) 6 athletes and 4 Partners are not

allowed. The line-up can consist of 10 or 12 batters, not 11. A non-playing adult coach must be responsible for the line-up and on-field conduct of the team.

Emphasized Unified Softball rules and adaptations:

1. Teams may position Unified Partners and Athletes at whatever positions best suits the player. Teams do not have to play a specific number of Athletes or Unified Partners in the infield, outfield, or at pitcher/ catcher.
2. Unified Partners and Athletes may be positioned at any place in the batting line-up. Teams do not have to alternate Athletes and Partners in the batting order.
3. No sliding. If a runner slides they will be called out.
4. Players can only overrun first base without being in danger of being tagged out.
5. No Partner or Athlete shall intentionally overplay their defensive position and make a play that is in another fielder's territory. This includes moving the Pitcher to home plate to take a throw from another fielder. The Catcher must make the play if able.
6. The outfielders must play a minimum of 10 feet behind infielders. Four outfielders must start play, on each pitch, in the outfield.
7. When submitting the line-up Coaches must identify Athletes and Unified Partners.
8. All batters begin the at-bat with a one and one count. A foul ball will count as a third strike.
9. A maximum of 2 over the fence home runs will be allowed per game.
10. The Second Home Plate will be utilized. If a runner goes to the main Home Plate they will be called out. If a defensive player tries to tag a runner after they pass the commitment line, or steps on the Second Home Plate, the runner will be called safe.
11. A player ejected from a game will be ineligible for the team's next game.
12. Athletes should be wearing even number uniforms. Partners should be wearing odd number uniforms.

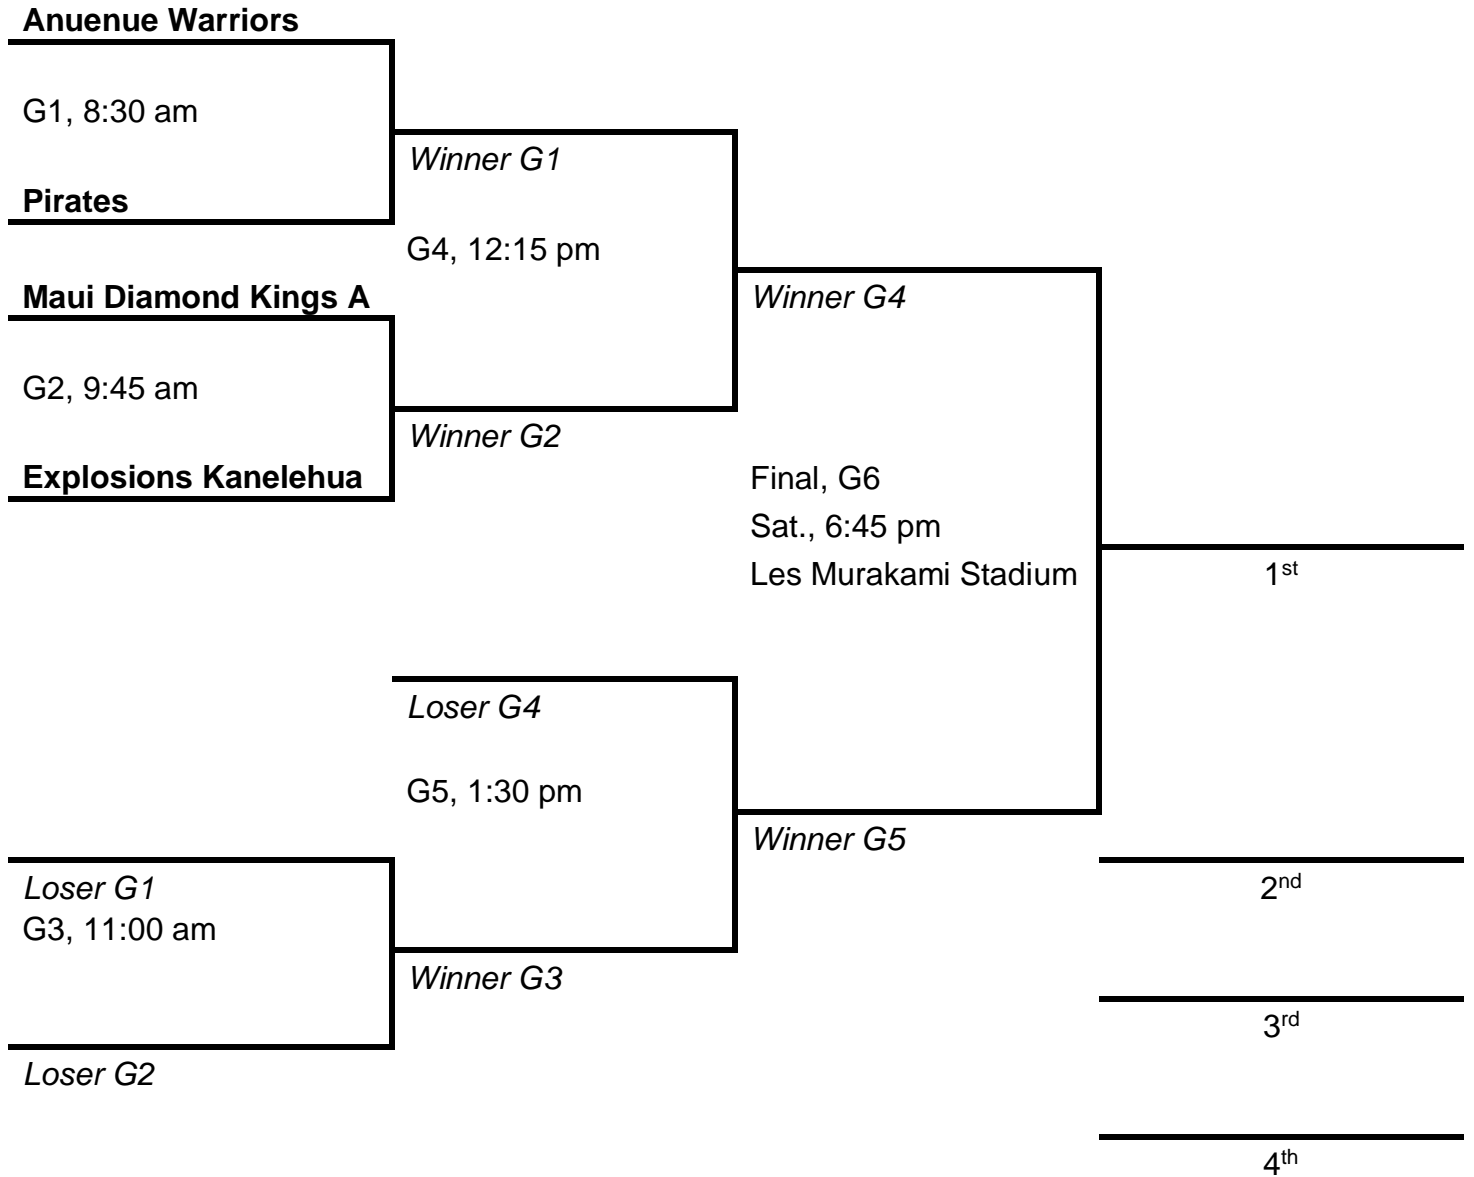

Tie-breakers:

If teams are tied in record the following Tie-breakers will be used:

1. Head to Head results among tied teams
2. Run differential for games involving tied teams only
3. Run differential for all games in tournament
4. Total Runs scored for games involving tied teams only
5. Total Runs scored for all games in tournament

13. The outfielders must play a minimum of 10 feet behind infielders. Four outfielders must start play, on each pitch, in the outfield.
14. The Second Home Plate will be utilized. If a runner goes to the main Home Plate they will be called out. If a defensive player tries to tag a runner after they pass the commitment line, or steps on the Second Home Plate, the runner will be called safe.
