This is a combined 4 event competition. Put a training score for each separate event. In the Total Event Score column, put the combined score of those 4 events. Future Stars do NOT receive Special Olympics medals for competing during SOHI games. They will receive a different award.

Athletes that compete in Softball Individual Skills can also compete in 1 other event during the weekend. The only exception is that they cannot compete in Team Softball.

Place an X in the box if the answer is Yes for that individual. X for vegetarian and V for a Vegan vegetarian.
