Teams have been placed into Divisions of 3, 4, or 5 teams.

Tournament formats and schedules are determined by the number of teams in the division.

### **A and B Division**

Divisions A and B will be combined into one large group for pool play on Saturday. Teams will play across divisions. After pool play, teams will be divided into A and B divisions. These divisions may be split into two divisions of three or a division of four and a division of two. If teams are split into two divisions of three, both A and B divisions will play a round robin within their division and the top two ranked teams will play in a Championship Game and the third ranked team will be awarded the bronze medal.

If teams are split into one division of four and one division of two, the division of four will start in the Semi-finals with the winners playing for the championship and losers playing in the Bronze medal game. The division of two will play each other twice. If these teams each win one game, a five minute overtime will be played to determine first and second place.

#### **4 team divisions – D and E Divisions**

The D and E Division Teams will play a round robin and then will be ranked by record. The 1<sup>st</sup> and 2<sup>nd</sup> ranked teams will play in a Championship Game. The 3<sup>rd</sup> and 4<sup>th</sup> ranked teams will play for the Bronze medal. All teams will play 2 games each day.

#### **5 team divisions- C Division**

The C Division Teams will play in a round robin and then be ranked by record. The 5<sup>th</sup> ranked team will be eliminated and will be awarded 5<sup>th</sup> place. The 1<sup>st</sup> and 2<sup>nd</sup> ranked teams will play in a Championship Game. The 3<sup>rd</sup> and 4<sup>th</sup> ranked teams will play for the bronze medal. All teams will play two games on Saturday. The 5<sup>th</sup> place team will play two games on Sunday, whereas the teams playing for a medal will play three games.

#### **4 team division – Unified Elementary School Division**

The Unified Elementary School Division will be a 4 team, Saturday only, traditional tournament. Teams will start in the Semi-finals with the winners playing for the championship and losers playing in the Bronze medal game.

#### **Tiebreakers (All Divisions):**

If after round robin play two teams are tied in record, the winner of their head to head game has the higher rank. If more than 2 teams are tied in record, point differential among games involving those teams will determine rankings. If teams are still tied, the teams will be ranked by total points scored against the other tied teams. If still tied, total points scored in the tournament will determine the rankings. If a team has a forfeit among tied teams they will automatically be placed last in the tiebreaker.

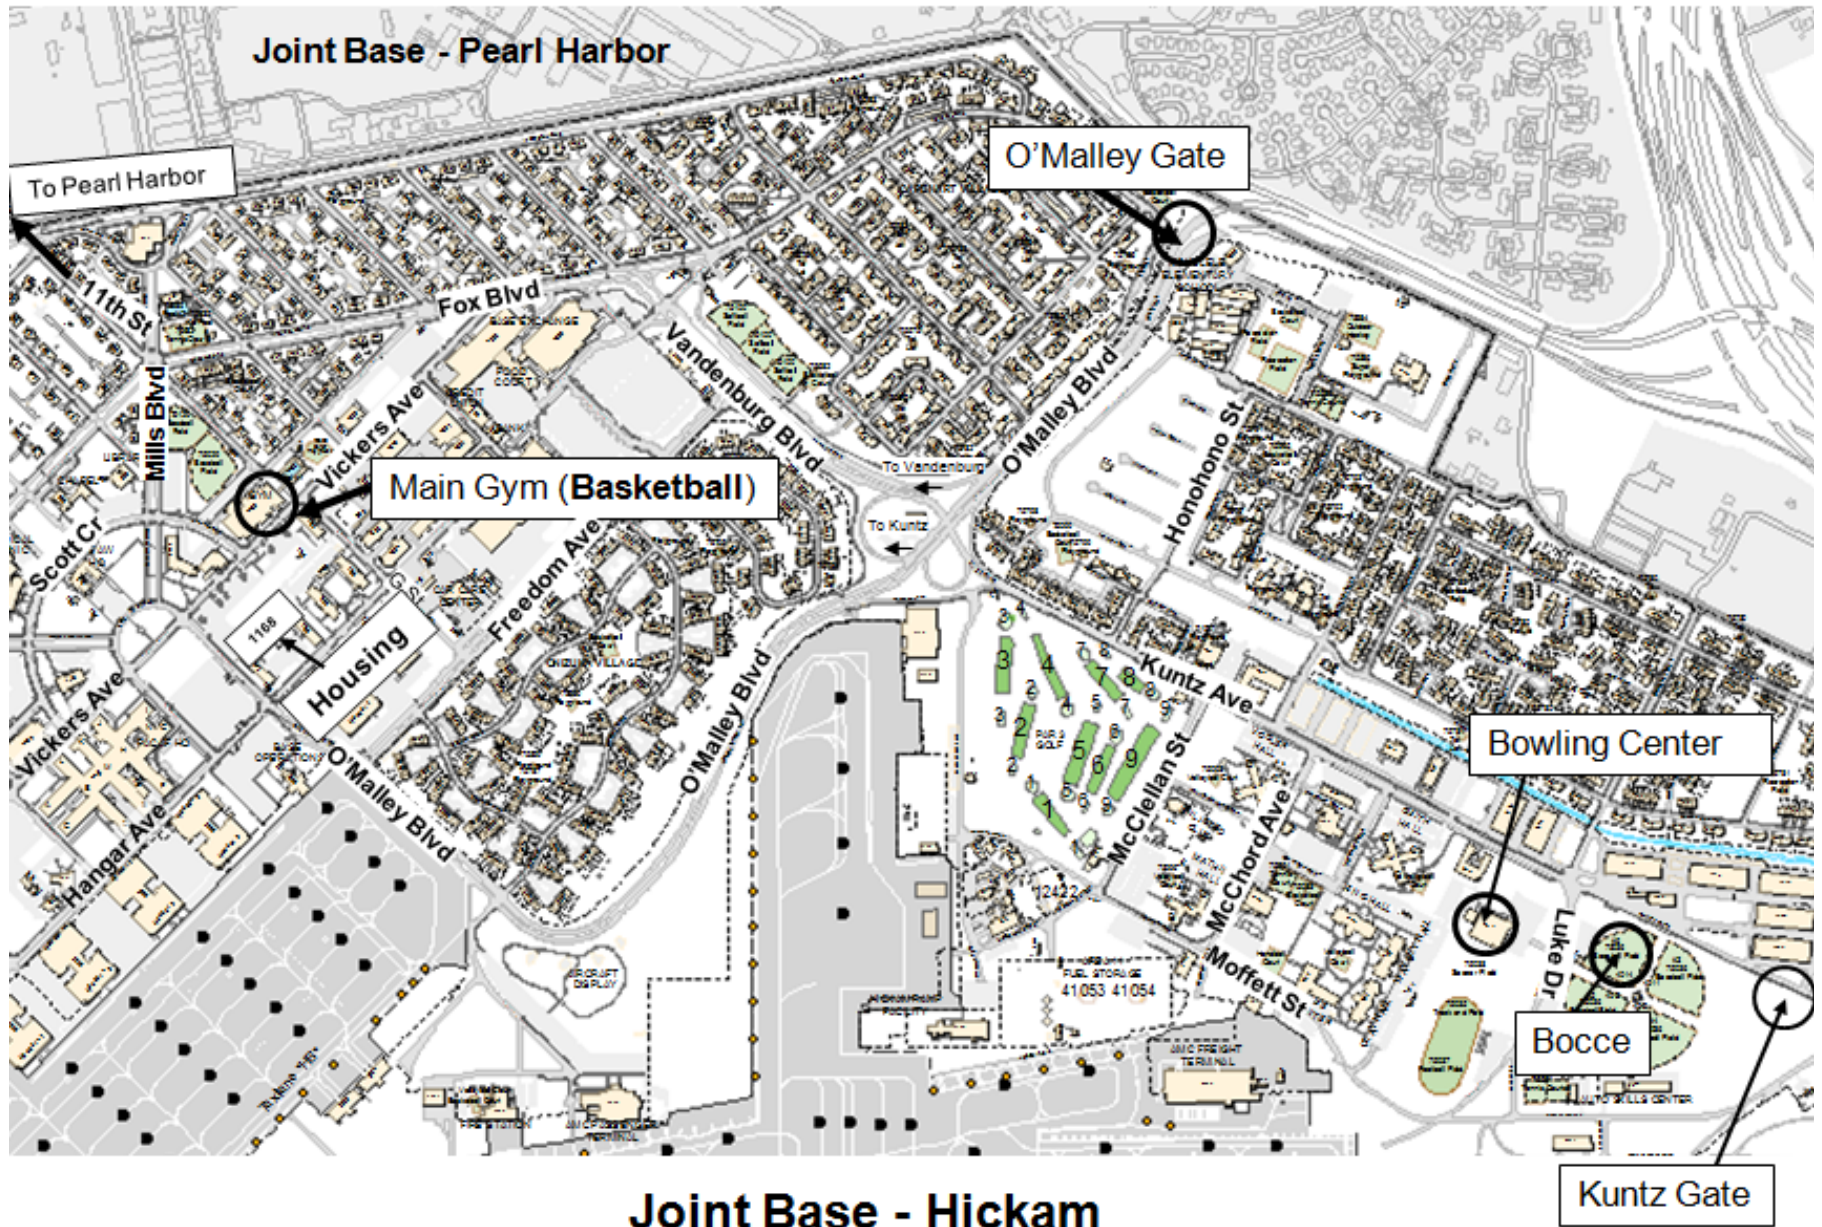

#### **Awards Ceremonies:**

Awards ceremonies will be conducted immediately after each medal round game on their court.
