## **BOWLING NOTES – SINGLES and UNIFIED TEAM**

### **COACHES NOTES:**

- 1) All Coaches should read and review the 2023 Holiday Classic Bowling Coaches Packet prior to competition.
- 2) All participants should check-in a minimum of 30 minutes prior to competition start time. Known scratches should be given as early as possible to the competition director.
- 2) Coaches Meetings are 20 minutes prior to competition start time.
- 3) Coaches are responsible for their athletes having the correct size shoes and an appropriate ball. Please know shoe sizes when you arrive at the Bowling Center.
- 4) Coaches and spectators are not allowed in the competition area. Coaches are not allowed to give assistance to the athletes on the bowling lanes, unless the athlete is entered in Assisted Ramp bowling or requires one-to-one supervision. This must be approved in writing before the Holiday Classic for all athletes competing in Singles and Unassisted Ramp Bowling and is granted rarely.
- 5) At Hickam, Bowlers will be awarded at the Bowling Awards venue on the grass area fronting the side door of the Hickam Bowling Center. At K-Bay Bowlers will be awarded at the Bowling Awards venue in front of the entrance to K-Bay Lanes.

### **TOURNAMENT RULES:**

- 1) The Holiday Classic Bowling Competitions will be governed by the 2023 SOHI Bowling Rules and USBC (United States Bowling Congress) rules and regulations unless otherwise noted. The SOHI Bowling Rules are available on-line at <https://sohawaii.org/wp-content/uploads/2023/10/2023-Fall-Bowling-Rules.pdf>
- 2) Special Olympics Hawaii rules will be on hand at each competition venue. Special Olympics Hawaii rules take precedence over USBC. Coaches are responsible for knowing all applicable bowling rules.
- 3) Foul lights will be on. Fouls will be called when a part of the athlete's person encroaches on or goes beyond the foul line, and touches part of the lane, equipment, or building during or after delivery. Ramps will set off the foul light and must be placed before the foul line. If foul lights are not operating correctly they will be turned off.
- 4) Athletes within the same heat will bowl in the same lane. Athletes **will not** alternate lanes.
- 5) The SOHI Bowling Rules are utilized for late or absent bowlers, and bowlers who cannot complete three games.
- 6) The Bowling Competition Committee shall have the power to make all decisions on any points not specifically covered in the rules.

### **SCORING:**

- 1) The final score for an athlete competing in Singles is the sum of the competitor's score for three games.
- 2) All tournaments will be "scratch" tournaments, no handicaps will be given to any bowler. Athletes or teams will be divisioned by their final score from Area Games.
- 3) The final score for a **four-person** Unified team shall be the sum of each competitor's total score for three games.
- 4) Foul lights will be on during competition.
- 5) Bowlers must complete three games within two and a half (2 ½) hours. If bowlers have not completed three games by the time cutoff, their score at that point will stand as their official score. Bowlers may be given additional time at the discretion of the Head Official if they are delayed due to lane malfunctions, or SOHI transportation issues

### **UNIFIED BOWLING:**

- 1) Unified Sports® teams shall consist of an equal number of Athletes and Partners (two athletes and two Unified Partners). Teams **cannot** compete without the correct ratio of athletes and Unified Partners.
- 2) Bowlers on a Unified Sports® team may be assigned to bowl in any order by the score keeper.
- 3) Both Unified Partners and athletes must meet the training requirements set forth in the SOHI Bowling Sport Info Guide.
- 4) Unified Teams are asked to remain in their lanes until all teams in their division have finished bowling. They will then be escorted to the awards area together, by a volunteer

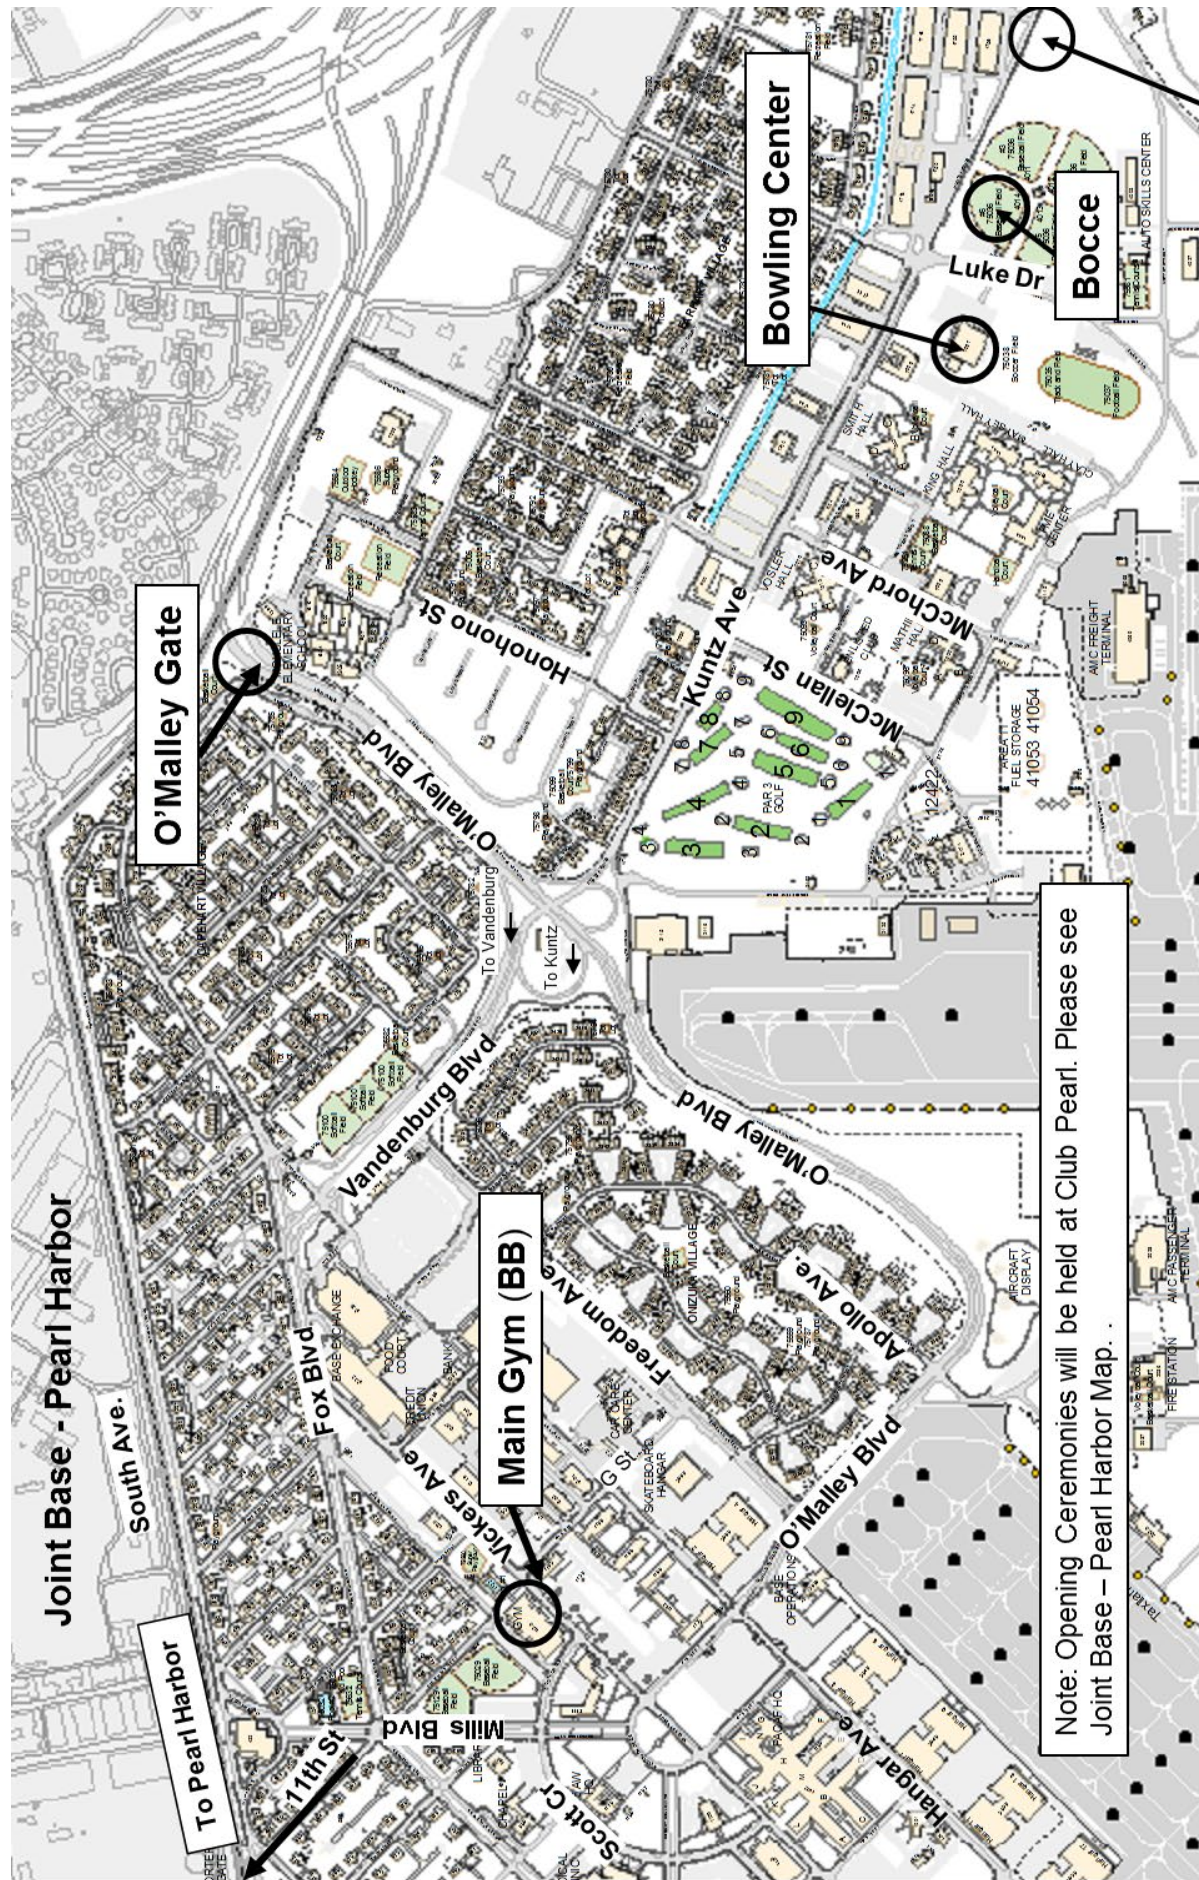

### **ALTERNATES:**

- 1) Alternates may **NOT** be used at the Holiday Classic. Only bowlers who bowled at the qualifying Area or Regional competition are eligible to bowl.
- 2) If two teams from the same delegation in the same event do not have enough bowlers they may combine to form one team. This combined team will only be eligible for Participation Ribbons.
- 3) No absentee or vacancy scores shall be permitted.

### **LUNCH:**

Athletes and their coaches must pick-up their lunch at the competition venue where they are competing on Saturday or Sunday from 11:00 am – 1:00 pm. Bowlers will not be allowed to eat while competing.
